

## ***Medicare Prescription Drug Coverage and Finding Help with Insurance Co-Payments***

### ***Helpful tips to minimize your out of pocket costs***

1. Investigate all of your insurance coverage
2. Don't take no for an answer from your insurance company
3. Investigate and apply for drug and/or co-pay assistance programs
4. Be careful about changing insurance coverage
5. Consider a Health Spending Account
6. What ever your disease, treatment or insurance, it is incumbent on all of us to help reduce healthcare costs.

***Caring Voice Coalition(CVC)*** is a nationwide non-profit organization that helps Pulmonary Hypertension patients in three distinct ways. CVC's dedicated specialists help patients maximize their insurance coverage, assist eligible patients with the payment of PH therapy copayments, and connect patients with essential support resources. CVC's services are always free to their patients.

Caring Voice Coalition  
8249 Meadowbridge Road  
Mechanicsville, VA 23116

***Chronic Disease Fund's*** (CDF) mission is to improve the health and quality of life of underinsured patients with chronic disease, cancer, or other life-altering conditions who cannot afford the medications they so desperately need. We assist patients throughout the United States who meet income qualification guidelines and have private insurance or a Medicare Part D plan but cannot afford the co-payments for their specialty therapeutics.
