

PH Practice Guidelines

The Pulmonary Hypertension Association is pleased to offer the physicians who read *Advances in Pulmonary Hypertension* a free copy of the new American College of Chest Physicians PH Practice Guidelines.

PHA is pleased to endorse the ACCP PH Practice Guidelines, joining the American College of Cardiology Foundation, the American College of Rheumatology and the American Heart Association.

To request your free copy of “Diagnosis and Management of Pulmonary Arterial Hypertension: ACCP Evidence-Based Clinical Practice Guidelines,” please return the attached card on page 2 and mark in the appropriate box or go to: www.phassociation.org/medical/accp.htm.

PHA thanks the following companies for providing unrestricted educational grants, making this important offer possible:

Actelion Pharmaceuticals • CoTherix, Inc. • Encysive Pharmaceuticals
Myogen • TheraCom/Caremark
