

LabSync manages the administrative duties of required monthly laboratory testing for patients enrolled in LEAP

**Prescribers can choose to enroll patients in *LabSync*—
a unique service provided by Gilead Sciences, Inc.**

***LabSync* can:**

- ▶ Help patients choose a laboratory facility
- ▶ Schedule and remind patients of upcoming laboratory appointments
- ▶ Assist in resolving insurance-related issues with laboratory testing
- ▶ Ensure prescribers receive laboratory test results
- ▶ Help determine eligibility for in-home blood draw services when appropriate

LabSync provides centralized support for all required laboratory testing through a secure website that allows clinicians instant access to patients' test results and upcoming testing appointments.

To learn more about *LabSync*, visit www.labsynctalk.com and register for an interactive teleconference hosted by leading pulmonary arterial hypertension (PAH) nurses, or speak with your local Gilead sales specialist.
