

CASTING CALL

DO YOU WANT TO SHARE YOUR STORY?

The film will focus on the lives of seven young PULMONARY HYPERTENSION patients as they attempt to blend in with their peers even though they are truly one in a million. Currently searching for children and families from all walks of life plagued with Pulmonary Hypertension to participate in the project. We would need to document approximately two weeks of your home life, following your child during a pinnacle point in their life, i.e. Birthday/Pool parties, Sweet 16, Medical Transitions, Prom/dating, etc.

Generally we are looking for children and young adults ranging from ages 2 to 26 but we are open and willing to accept applications of all ages.

HOW TO APPLY:

If you think you fit the criteria and are interested in being involved in the process of spreading awareness of Pulmonary Hypertension we are currently accepting application videos.

1. Videos must be under five minutes explaining what you want to share about how PH affects your every day life. Please remember to list any upcoming events that may play an important role in your life as a PH patient.
2. Audition tapes must be in English.
3. Video format must be in VHS, DVD, miniDVD or miniDV. (Other formats may not be accepted)
4. Please label clearly with your name, age, phone number and address.

Application packages must be sent no later than September 30, 2007 to:
