Pulmonary Hypertension Association

**To MDs:** Please pass on to nurses and other allied health professionals to make sure that the latest advances in the care and treatment of PH are incorporated into your practice!

2007 PH Resource Network Symposium

# PHenomenal Progress in PH: Bringing Advances into Practice

October 11-13, 2007  
Hyatt Regency Crystal City  
Arlington, VA

Sessions on October 12th and 13th will deal with such topics as...

- Best practices in managing multiple oral therapies
- Insurance issues
- Idiopathic versus secondary PH
- New areas of research in PH
- Advances in diagnosis, treatment and care
- ...And more

**Lobby Day on October 11th** will begin with advocacy training followed by small group meetings with your representatives in Congress.

**Don't miss this unique opportunity to gather with PH-treating medical professionals for three days of educational sessions, lively discussions and an opportunity to raise awareness on PH in Congress.**

*CEU's will be offered for participants*

#### **Questions? Contact the Symposium Committee Chairs**
